Oil Changes - The oil changes offered are a \$29.95 value. This includes our house oil (5w20 Full-Synthetic Oil), changing the oil filter, topping off the washer solvent, setting tire pressure, and a detailed digital vehicle inspection which will be made available to you. You may bring your own oil and filter if you have a preference that isn't included. There maybe some circumstances that will require more than 5 qts of oil, an oil filter that costs us more than \$2, or requires a special oil other than is included in the Gift Card. In that case the difference in price will be required to be paid. For example, Your vehicle may require 10 quarts of full synthetic oil and the average cost of the oil filter is \$10. In this example, your oil change might normally cost \$100. We would subtract the \$29.95 (our normal oil change price and the value of the oil change you purchased with your card) from the \$100 and that is what you would pay. Put another way, you would get a \$29.95 discount off an oil change. The card will expire on the same date of the last oil change is used or 24 months after purchase, whichever comes first. Most cars will qualify for the oil change that is included. If you are curious or wonder if your vehicle will be covered, please call first before purchasing card.

\$25 Discount - This is a coupon that maybe used on purchases. To receive the full \$25 discount your purchase must be \$250.00 or more. Or put another way you will receive a 10% discount off your purchases up to \$25. It may not be used to receive a discount on oil changes, towing service, Batteries, or tires. It has a one time use and no change will be given. It must be used on or before the date of the last oil change or before the card expires, whichever occurs first.

\$25 Towing Assistance - This can be used to have a vehicle towed to our shop only. You may use the \$25 Towing Assistance to help offset the cost of the tow. It may not be used for any other reason than a tow. It can not be used for any other roadside assistance. It can't be used to tow a car to any other location other than our shop. It can't be used to help pay for a tow bill before the purchase date of the

Gift Card. It may not be used to help pay a tow bill of a vehicle towed to another shop other than ours. It will be used as a credit. For example, if your tow bill is \$75, you will only have to pay \$50. It has a one time use and may only be used on the car it is registered to. It may not be transferred to another car. The benefit stays with vehicle even if sold to another owner. In order to receive the towing benefit it must be used on or before the date of the last oil change.
